

May Newsletter, 2017

Note from Kelley:

I am super excited for our Flipo Fun meet coming up on May 20th because these girls have been training hard all year and it is time to celebrate. I am also blown away with how quick camps are filling up this year. I think this means kids are having fun and learning tons at Mismo! Now we just need that beautiful sun to come out and stay out! ;-) See you at the Special Olympics which Mismo is super honored to be a part of again this year!
