These teams are placed during tryouts at the beginning of summer each year. Please contact our front office if you are interested in enrolling your child in one of our nationally known competitive cheer teams.

A typical class, we move through 5 different obstacle courses. We also do fitness challenges, trampoline, general body reflex, and agility. It is also our desire to build confident, young people capable of adapting to challenges as they occur.

Our coaches strive to do this in an environment motivated by love and enthusiasm.
